Info pack for RUJIENA SECONDARY SCHOOL volunteers:

Project "Let's do for Rūjiena"

Nr. 2025-1-LV02-ESC51-VTJ-000346569

Date for activities: 1.09.2026-30.05.2027

Place: Rūjiena, LATVIA

Welcome to be interested as volunteer in Latvia, Rūjiena secondary school

In Rūjiena secondary school (www.rujienasvidusskola.lv) studies 450 students from 1st - 12 grade, they are learning extra music education. Target of secondary school is to create positive educational environment for students. Voluntary work in school will help students to find out more about other cultures, persons and possibilities. School provides different after school clubs - dancing, singing, theater, green environment club, EU club, sport, basketball, volleyball etc.

If you become volunteer for our school you will be part of support team for students, teachers and other specialists, as well you will be able to create your own activities.

Should you have any questions, suggestions, problems or proposals, please do not hesitate to contact us at any time.

Summary of the Project:

The goal of the project is to promote awareness of the Solidarity Corps through the activities offered to the youth of Rūjienas district, which will encourage young people to engage in such projects and will activate the local community. The project is initiating cooperation with the Rūjiena district municipality institutions visited by children, young people and seniors - Social Care Center "Lode", Rūjienas Multifunctional Youth Initiative Center, Rūjiena Library, Rūjiena Secondary School and Association "Rūjiena Seniors House". The short-term goal of the project is to offer various activities available to the local community in Rūjiena, for children, young people and seniors. Volunteers will develop and get to know their personality, will learn more about cultural differences and will share their experience and knowledge during the project. The long-term goal is to establish close cooperation between socially active institutions and organizations united by Solidarity Corps youth from different countries. The implementation of this project will help to develop open societies and acquisition of knowledge about the cultures of different countries, the implementation of this project will help the local community to improve linguistic knowledge and raise awareness of European citizenship.

Aims and objectives:

- To help students to learn languages in practical use;
- Be part of student event team;
